

HONEST BUILDINGS

# Data-Driven Capital Deployment

BUILT FOR AND BACKED BY REAL ESTATE OWNERS

Honest Buildings is the only project management and capital planning platform, built specifically for commercial real estate owners. Industry leaders use the intuitive software to streamline processes and approvals, and make data-driven decisions portfolio wide to meaningfully reduce project costs and increase revenue.

**REDUCE**  
project costs

**DELIVER**  
projects faster

**SAVE**  
team's time

**BUDGET**  
more effectively

Industry leading CRE owners have managed and tracked over \$10 billion in capital and construction projects using Honest Buildings

# What is Honest Buildings?

A PLATFORM TO HELP OWNERS DEPLOY CAPITAL THROUGH BETTER:

## PROJECT MANAGEMENT

Centralize digital bidding, tracking and reporting to ensure projects finish on time and on budget.

## APPROVALS

Streamline bid, change order and invoice approvals to speed up project delivery.

## CAPITAL PLANNING

Manage past, present, and future projects in one place with real-time reforecasting.

## INTEGRATIONS

Break down data silos to streamline insights across systems and teams.

## The ROI of Honest Buildings

### Brookfield

*“The return on investment math is simple, as even a tiny fraction of savings on one bid would pay for the platform. Multiply that by a few hundred projects per year portfolio wide, and it’s clear that the decision to bring on this platform was an easy one.”*

**DAN KINDBERGH**, EVP US OPERATIONS

### OLX|FLOR|D

*“Honest Buildings is the only platform that we’ve come across that is built for owners. There is no doubt in my mind that it’s going to be used by every leader in the industry, by every major real estate company around the world.”*

**MICHAEL TURNER**, PRESIDENT

Industry leading CRE owners have managed and tracked over \$10 billion in capital and construction projects using Honest Buildings
