# Integrating With Honest Buildings

## STREAMLINE DATA SHARING AND INSIGHTS ACROSS TEAMS

Accelerate the completion of your capital and tenant improvement projects by centralizing all the information your team needs. Integrate Honest Buildings with industry-leading accounting and accounts payable systems so you can:

- ▶ Use data to better influence decision making
- ▶ Create a single source of truth and avoid data errors
- ▶ Eliminate duplicative work across systems

*“As our team members began to use the platform with a new integration activated with our accounting system, I received feedback that it was ‘priceless’ because they now have all they need at a glance instead of having to search through emails and shared drives for data.”*
